We are known for innovative and quality lighting products, the trustworthy brand of India. **We are the AMANTRA.**

Amantra started with an aim to differentiate quality products from the normal ones. We headed towards creating unique, affordable and reliable products.

The company started in the year 2019, with a dream and a strong will to bring the best quality lighting in the market all over India. We have catered to lots of Prestigious projects PAN INDIA.

### **Architectural lighting**

The meeting of elegance and performance is where Amantra displays the wide range of architectural lighting applications. It is how light and illumination brings a personal, artistic, dynamic touch for your homes that makes everyone vying for Amantra. Our architectural designs bring the perfect vision and results for the customers catering to any aesthetic while working with each of our customers.

### **Industrial Lighting**

Lighting based on industries come with the heavy-duty luminaire. It is robust, efficient and reliable when Amantra comes into the scene. Amantra Industrial Lighting is practical and reliable with high-quality performance. The application is extensively customized to suit individual requirements. These lights are built to withstand the harshest condition.

## MAGNETIC TRACK LIGHT

ENERGY  
SAVINGS

ENVIRONMENT  
PROTECTION

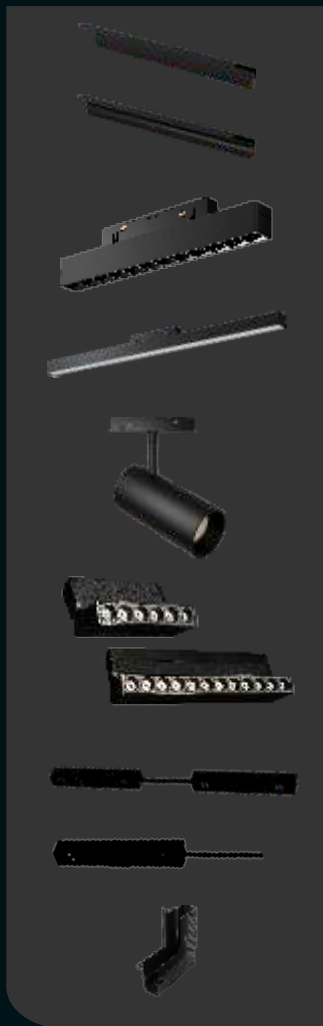

SUPER  
BRIGHT

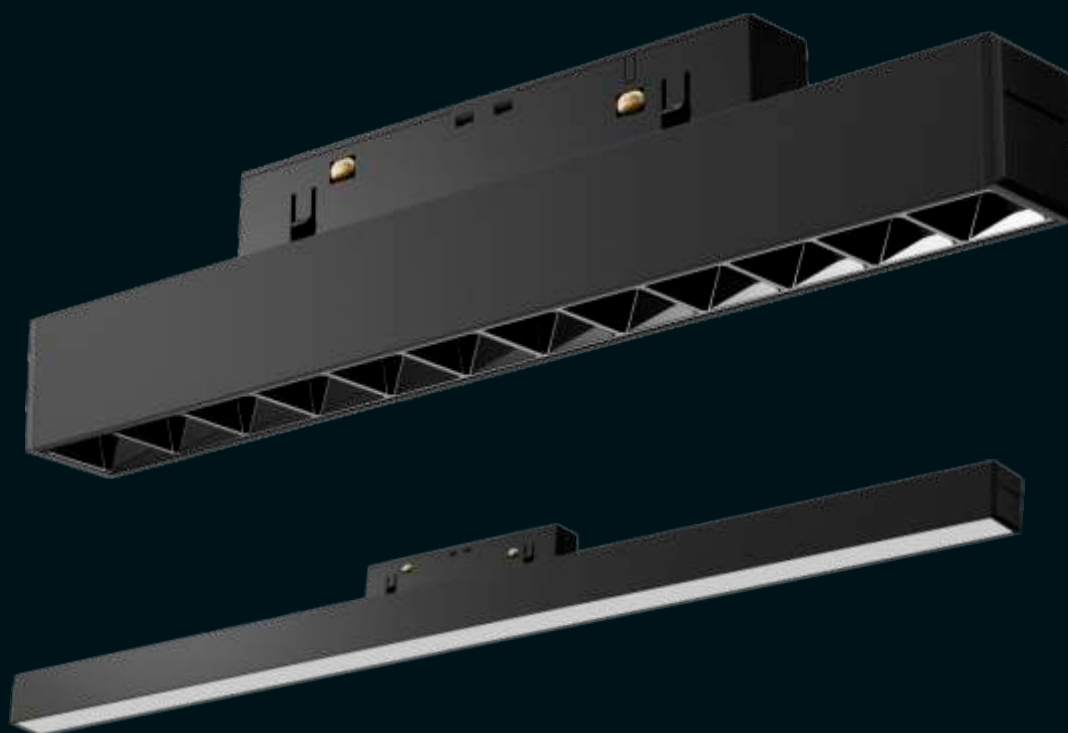

LONG  
LIFE

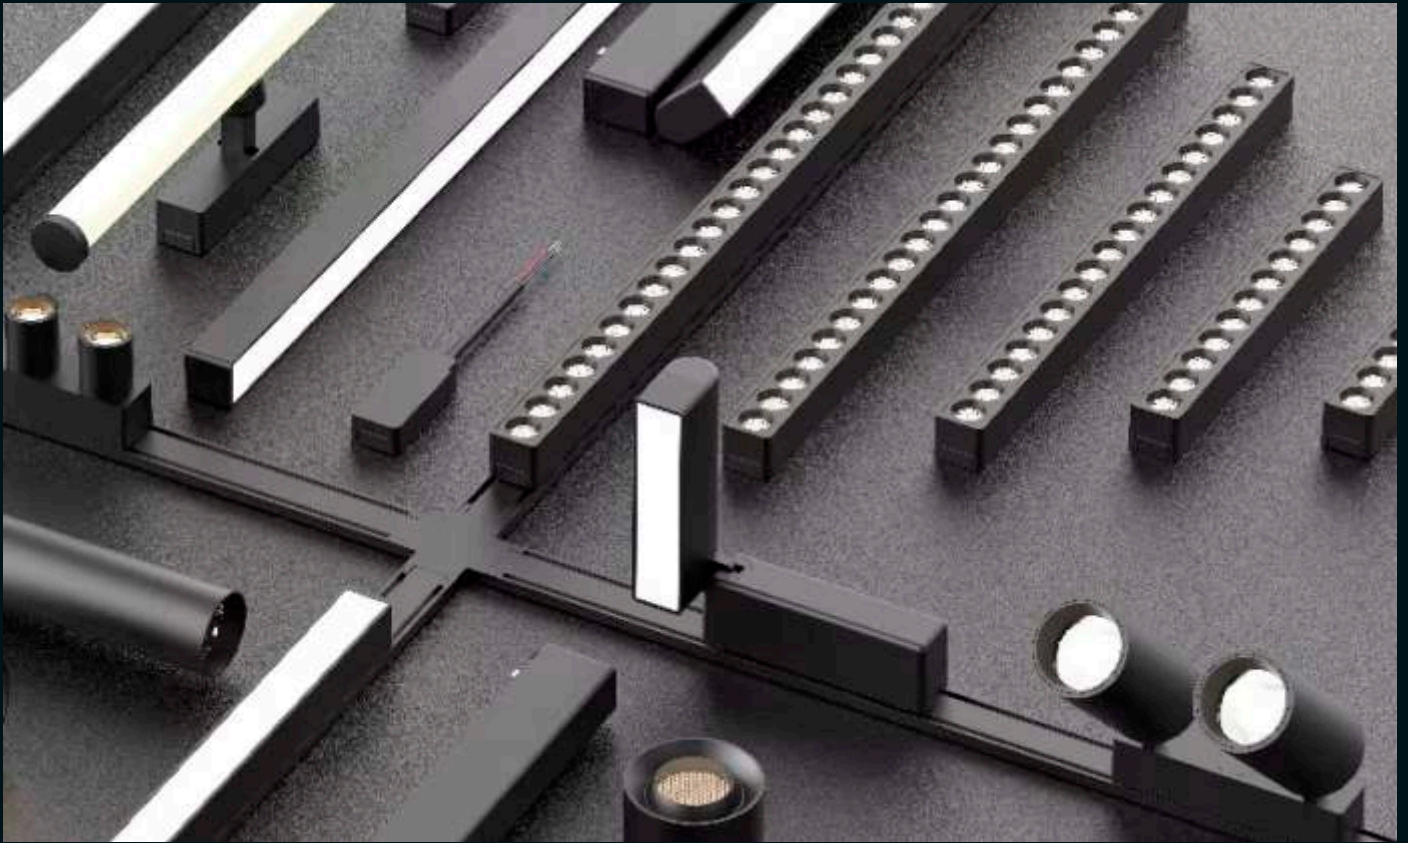

Magnetic track lights offer a modern and versatile lighting solution, seamlessly integrating into any space. Their sleek, magnetic design allows for easy adjustment and customization, providing focused illumination where needed. Ideal for both residential and commercial settings, these lights enhance aesthetic appeal and functionality. With energy-efficient LED technology, they deliver bright, long-lasting light while minimizing energy consumption. The magnetic track system ensures quick installation and the flexibility to reconfigure lighting arrangements effortlessly, making them a perfect choice for dynamic environments.

## OUTDOOR BOLLARDS LIGHT

ENERGY  
SAVINGS

ENVIRONMENT  
PROTECTION

SUPER  
BRIGHT

LONG  
LIFE

Outdoor bollard lights are stylish and functional fixtures that enhance the safety and aesthetics of outdoor spaces. Perfect for pathways, driveways, gardens, and landscapes, these lights provide ample illumination while adding a modern touch. Durable and weather-resistant, bollard lights are available in various designs and finishes to suit different outdoor decors. They not only guide and protect but also create an inviting ambiance, making outdoor areas more enjoyable and secure.
